Is It Spring Yet??

It has been a rough winter. Temps hovered at zero for weeks and strong winds carried even stronger gusts. Wind and heavy snow brought down branches and even tree trunks. Misty photos at left are Looking to spring, while the photo below

shows recent ravages. The upper part of a huge tree crashed across the path to that Chapel and smashed the Second Station of the Cross (Rt lower corner). Such are the ravages of weather in the Valley of the Mohawks.

Craftsmen and artisans who might help with repairs, please contact us.

But March has arrived, and the Shrine will soon open its 2022 season. Preliminary schedule is included here, and many additions to follow.

40 Hour Devotion, Fri, Sat, Sun, June 24-26, organized by www.johnleaps.com will bring Eucharistic Adoration from Friday evening through Sunday afternoon, June 24-26. Holy Mass, Confessions, processions, and nationally acclaimed presenters will be on the agenda. The devotion began in the 16th century, honoring the traditional 40 hours from the death of Christ until his resurrection as well as many sacred time frames of 40 days.
